

ANDERSON SCHOOL DISTRICT FOUR SUMMER FOOD PROGRAM

Beginning June 8

Meals will be provided Mondays and Thursdays at **Pendleton Elementary** and **Pendleton High School** at the front of the school

11am-12pm. On Mondays, 3 breakfasts and 3 lunches will be provided (for Monday-Wednesday meals). On Thursday, 4 breakfasts and 4 lunches will be provided (for Thursday- Sunday meals).

Due to Covid-19 social distancing requirements, meals will be provided through our current drive-thru model. There is no need for adults to leave their vehicles.

The USDA has provided flexibility to allow distribution of meals to adults without children present. If children are not present, adults must provide proof of the child's identity. Acceptable forms of ID may include a school ID card, birth certificate, child ID/passport, or any document that shows the relationship of the parent/guardian with the child. Adoption decrees, hospital records, daycare registration, among other documents, will suffice. No documentation is necessary if the child is present during meal pick up.
